Digger's Speed Pin™

How To Use

1 Finger-Mount Style

Pick Off
Mount the Pin Pack of 10 staples over middle finger, and pick off a Speed Pin. The remaining staples are conveniently held captive and organized.

Pound In
Transfer staple to opposite hand, as shown, and pound in.

2 Can-Pick Style (Use **Carry Can** holster, available for purchase separately)

Place Pin Pack(s) into the *Carry Can*. Grasp one Pin Pack and pick off two Speed Pins.

Remove the crown tape from the Pin Pack to release the remaining Speed Pins. The Speed Pins are ready to pick, one-by-one, from the *Carry Can*.
